

## Community benefits Buddion cymunedol

Pennant Walters is a local business seeking to incorporate an element of shared ownership with the landowners, as well as looking into the potential for community ownership in line with Welsh Government targets. The project could be an exemplary case study for Welsh locally owned renewable energy generation going beyond the aspirations of the Welsh Government.

We are also looking at developing a community benefit fund, tailored to the local area around Mynydd Llanhilleth. This could be delivered through a Community Interest Company (C.I.C) model, but we would welcome other suggestions through the consultation process.

Mae Pennant Walters yn fusnes lleol sy'n ceisio ymgorffori elfen o gydberchnogaeth gyda'r tirfoddianwyr, ynghyd ag edrych ar y potensial o berchnogaeth gymunedol yn unol â thargedau Llywodraeth Cymru. Gallai'r prosiect fod yn astudiaeth achos enghreifftiol ar gyfer cynhyrchu ynni adnewyddadwy dan berchnogaeth leol yng Nghymru gan fynd y tu hwnt i ddyheadau Llywodraeth Cymru.

Rydym hefyd yn edrych at ddatblygu cronfa fudd cymunedol, wedi'i theilwra i'r ardal leol o amgylch Mynydd Llanhilledd. Gellid cyflawni hyn trwy fodel Cwmni Budd Cymunedol (C.I.C), ond byddem yn croesawu awgrymiadau eraill trwy'r broses ymgynghori.

## Other local benefits Buddion lleol eraill

Aside from the points noted on this page, we are also actively considering how we may be able to deliver additional local benefit through biodiversity protection and enhancement, improved access to the areas around the site for those with rights over the Common, recreation activities such as mountain biking and hiking, as well as how we can support local education providers, for example.

Heblaw am y pwyntiau a nodir ar y dudalen hon, rydym hefyd yn ystyried o ddifrif sut allwn gynnig budd lleol ychwanegol drwy warchod a chnynddu bio-amrywiaeth, gwella mynediad i ardaloedd o amgylch y safle i'r rheiny gyda hawliau dros y Comin, gweithgareddau hamdden fel beicio mynydd a cherdded yn ogystal â sut allwn, er engrhaifft, gefnogi darparwyr addysg leol.

## Supply chain Cadwyn gyflenwi

We are keen to ensure that wherever possible, Welsh contractors are employed to help us deliver the services we need for this project. To register your interest in the project, fill out a form on the project website, or speak to a member of the project team.

As a local South Wales based company, we have a proud history of employment generation within the region and look forward to continuing to create jobs for local people.

Rydym yn awyddus i sicrhau, lle bynnag bo modd, y bydd contractwyr Cymreig yn cael eu cyflogi i'n helpu ni i ddarparu'r gwasanaethau sydd eu hangen arnom ar gyfer y prosiect hwn. I gofrestru eich diddordeb yn y prosiect hwn, llenwch y ffurflen ar wefan y prosiect, neu siaradwch ag aelod o dîm y prosiect.

Fel cwmni lleol yn Ne Cymru, mae gennym hanes balch o gynhyrchu cyflogaeth yn y rhanbarth, ac rydym yn edrych ymlaen at barhau i greu swyddi i bobl leol.

## Next steps Camau nesaf

Thank you for taking the time to visit this exhibition and find out more about the project. We would like to hear your views, so please fill out a feedback form and return it to us via any of the methods listed below.

- Project website – [www.mynydd-llanhilleth.co.uk](http://www.mynydd-llanhilleth.co.uk)
- Email – [mynydd-llanhilleth@pennantwalters.co.uk](mailto:mynydd-llanhilleth@pennantwalters.co.uk)
- Feedback forms – available online via the project website, or at public exhibition events.
  - » Alternatively, get in touch and request a hard copy and we will post it to you
  - » Freepost – FREEPOST TC CONSULTATION (no further address or stamp required)
  - » Freephone – 0800 699 0081 during normal office hours (Monday to Friday 9am to 5pm excluding public holidays)

The deadline for comments is **16 January 2023**.

Diolch am gymryd yr amser i ymweld â'r arddangosfa hon a chael gwybod mwy am y prosiect hwn. Hoffem glywed eich barn, felly byddwch cystal â llenwi ffurflen adborth a'i dychwelyd atom trwy unrhyw un o'r dulliau sydd wedi eu rhestri isod.

- Gwefan y prosiect – [www.mynydd-llanhilleth.co.uk](http://www.mynydd-llanhilleth.co.uk)
- E-bost – [mynydd-llanhilleth@pennantwalters.co.uk](mailto:mynydd-llanhilleth@pennantwalters.co.uk)
- Ffurflen adborth – ar gael ar-lein drwy wefan y prosiect, neu mewn digwyddiadau arddangosfeydd cyhoeddus.
  - » Fel arall, dewch i gyswilt a gofynnwch am gopi caled ac fe wnawn ni ei bostio atoch
  - » Rhadbost – FREEPOST TC CONSULTATION (dim angen cyfeiriad pellach na stamp)
  - » Rhadffôn – 0800 699 0081 yn ystod oriau swyddfa arferol (Dydd Lun i ddydd Gwener 9am i 5pm ac eithrio gwyliau cyhoeddus)

Y dyddiad cau ar gyfer sylwadau yw **16 Ionawr 2023**.

## About Pennant Walters Ynglŷn â Pennant Walters

Pennant Walters is Wales' largest home-grown renewable energy developer and is part of the Walters Group based in Hirwaun – a local company operating nationally, employing up to 500 people, many of which are in South Wales.

Since 2003 Pennant Walters has developed, built, and now operates six wind farms and some solar developments in South Wales, producing a total of 127MW. Pennant Walters seeks to develop a long-lasting relationship with all stakeholders including surrounding communities, landowners, local authorities and regulators.

Pennant Walters has considerable experience of developing renewable energy developments in former coalfields of South Wales, so we have a strong track record of delivering projects on sites like Mynydd Llanhilleth.

Find out more: [www.pennantwalters.co.uk](http://www.pennantwalters.co.uk)

Pennant Walters yw datblygwr ynni adnewyddadwy cartref mwyaf Cymru ac mae'n rhan o Grŵp Walters yn Hirwaun – cwmni lleol sy'n gweithredu'n genedlaethol, yn cyflogi hyd at 500 o bobl, llawer ohonynt yn Ne Cymru.

Ers 2003 mae Pennant Walters wedi datblygu, adeiladu a nawr yn gweithredu chwe fferm wynt a rhai datblygiadau solar yn Ne Cymru gan gynhyrchu cyfanswm o 127MW. Mae Pennant Walters yn ceisio datblygu perthynas hir-dymor gyda phob rhanddeiliad gan gynnwys cymunedau, tirfoddianwyr, awdurdodau lleol a rheoleiddwyr

Mae gan Pennant Walters brofiad sylweddol o ddatblygu datblygiadau ynni adnewyddadwy yn hen feysydd glo De Cymru, felly mae gennym hanes da o gyflawni prosiectau ar safleoedd fel Mynydd Llanhilledd.
