

1. What are your views on the principle of developing onshore wind energy schemes to help combat climate change?

- Strongly Support
- Support
- Neutral
- Oppose
- Strongly Oppose
- Please explain:

2. How did you find out about the consultation?

- Posted newsletter
- Email
- Newspaper press coverage
- Poster
- Social media
- Project website
- Other (please specify)

3. What are your thoughts on our initial proposals for Mynydd Llanhilleth wind farm?

4. Do you have any comments about our project location or proposed potential area for development?

5. Do you have any thoughts on specific environmental or other considerations that we should take into account as we develop our proposals? Do you have any local knowledge that may help us identify any issues and opportunities as we develop the design of the wind farm?

6. What do you consider to be the most important benefit offered by Mynydd Llanhilleth wind farm?

- Contribution to national CO2/renewable energy targets
- Local job creation
- Boost to local economy
- Investment opportunity
- Community benefit fund
- Community ownership
- Other (please specify)

7. Land within the proposed site boundary also falls under the common land register. We are interested in understanding any uses, activity and access points that the local community, landowners, rights holders or graziers have on Mynydd Llanhilleth Common.

Do you currently use or access the Common, and if so what activities do you undertake?

8. Do you have any further general comments about the proposals?

9. Have you found this consultation informative?

- Yes
- No
- If not, please tell us why?

Privacy Statement:

By filling-in this form you are agreeing that Pennant Walters can hold and process your personal data in relation to this public consultation exercise. Pennant Walters will only share your personal data with companies within the Mynydd Llanhilleth project team, and in certain circumstances, specific project consultants for planning evaluation purposes only. Your identifiable, personal data will not be used for any other purposes without your consent. Depending on the nature of your enquiry/feedback, Pennant Walters will only use your data to:

- Respond to specific questions or enquiries submitted via this portal.
- Send you updates about a specific project (where you provide us with your contact details).
- Develop a Pre-application Consultation (PAC) Report (or similar document) about this public consultation that will be submitted to the Planning Inspectorate Wales and/or other relevant planning bodies; this will be a publicly available document.

Your comments will be anonymous, and we will only identify you in these reports with your express permission. If you provide us with your contact details, we might also contact you to ask you more about any comments you've made. Your data will be stored in line with the GDPR.

10. I am interested in:

- The project in general
- Consultation
- Environmental Impact Assessment
- Community benefit fund
- Community ownership
- Supply Chain
- Other
