Community Benefit Budd Cymunedol

We are a local company and will ensure that community considerations are integral to our wind farm proposals.

Rydym ni'n gwmni lleol a byddwn ni'n sicrhau bod ystyriaethau cymunedol yn rhan annatod o'n cynigion ffermydd gwynt

Pennant Walters is a local business seeking to incorporate an element of shared ownership with the landowners, as well as looking into the potential for community ownership in line with Welsh Government targets. The project could be an exemplar case study for Welsh locally owned renewable energy generation going beyond the aspirations of Welsh Government.

We are also looking at developing a community benefit fund, tailored to the local area around Mynydd Llanhilleth. This could be delivered through a Community Interest Company (C.I.C) model, but we would welcome other suggestions through the consultation process.

Mae Pennant Walters yn fusnes lleol sy'n ceisio ymgorffori elfen o gydberchnogaeth gyda'r tirfeddianwyr, ynghyd ag edrych ar y potensial o berchnogaeth gymunedol yn unol â thargedau Llywodraeth Cymru. Gallai'r prosiect fod yn astudiaeth achos engraiifftiol ar gyfer cynhyrchu ynni adnewyddadwy yng Nghymru yn lleol.

Rydym hefyd yn edrych at ddatblygu cronfa fudd cymunedol, wedi ei theilwra i'r ardal leol o amgylch Mynydd Llanhilledd. Gellid cyflawni hyn trwy fodel Cwmni Budd Cymunedol (C.B.C), ond byddwn yn croesawi awgrymiadau eraill trwy'r broses ymgynghori.

Other local benefit

Budd lleol arall:

Aside from the points noted on this page, we are also actively considering how we may be able to deliver additional local benefit through biodiversity protection and enhancement, improved access to the areas around the site for those with rights over the Common, recreation activities such as mountain biking and hiking, as well as how we can support local education providers for example.

Heblaw am y pwytiau a nodir ar y dudalen hon, rydym hefyd yn ystyried o ddifrif sut allwn gynnig budd lleol ychwanegol drwy warchod a mwyhau bio-amrywiaeth, gwella mynediad i ardaloedd o amgylch y safle i'r rheiny gyda hawliau dros y Comin, gweithgareddau hamdden fel beicio mynydd a cherdded yn ogystal â sut allwn, er enghraift, gefnogi darparwyr addysg leol.

Supply Chain Cadwyn Gyflenwi

We are keen to ensure that wherever possible, Welsh contractors are employed to help us deliver the services we need for this project. To register your interest in the project, fill out a form on the project website, or speak to a member of the project team.

As a local South Wales based company, we have a proud history of employment generation within the region, and look forward to continuing to create jobs for local people.

Rydym yn awyddus i sicrhau bod, lle bynnag bo modd, contractwyr Cymreig yn cael eu cyflogi i'n helpu ni i ddarparu'r gwasanaethau sydd angen i'r prosiect hwn. I gofrestru eich diddordeb yn y prosiect hwn, llenwch y ffurflen ar wefan y prosiect, neu siaradwch ag aelod o dîm y prosiect.

Fel cwmni lleol yn Ne Cymru, mae gennym ni hanes balch o gynhyrchu cyflogaeth yn y rhanbarth, ac yn edrych ymlaen at barhau i greu swyddi i bobl leol.
