

SCHEDULE 1

The Developments of National Significance (Procedure) (Wales) Order 2016 PUBLICITY AND CONSULTATION BEFORE APPLYING FOR PLANNING PERMISSION NOTICE UNDER ARTICLES 8 AND 9(2)

Purpose of this notice: this notice provides the opportunity to comment directly to the developer on a proposed Development of National Significance (DNS) prior to the submission of a planning application to Welsh Ministers. Planning applications for DNS will be publicised by Welsh Ministers and the relevant local planning authority; any comments provided in response to this notice will not prejudice your ability to make representations to the Welsh Ministers on any related DNS planning application. You should note that any comments submitted may be placed on the public file.

Proposed development at **Mynydd Llanhilleth, South Wales. The Site boundary is approximately 300m from the eastern edge of Llanhilleth. The village of Brynithel is located approximately 500m to the south west of the Site at its closest point. (Grid reference: Easting, 323634 – Northing, 201932)**

I give notice that **Pennant Walters Ltd** intends to apply to the Welsh Ministers for planning permission in respect of Development of National Significance which is for a **“proposed wind farm consisting of up to seven wind turbines, each with a three-bladed rotor and maximum height to blade tip of 180m, together with associated infrastructure including improvements to an existing access, new and improved internal wind farm tracks, crane pads, turbine foundations, underground power cables linking the turbines and the on-site substation, temporary construction compounds, laydown and storage areas and grid connection infrastructure, including an on-site substation and control building together with construction enabling works, and 66kV underground cable connection within the DNS application boundary”**.

And considers that the following secondary consents are connected to the proposed application and that a decision in respect of those consents is to be made or should be made by the Welsh Ministers, or a person appointed by the Welsh Ministers for that purpose:

- **Under section 16(1) of the Commons Act 2006 (deregistration and exchange applications):** Application to construct and operate a wind farm within Mynydd Llanhilleth Common requiring the deregistration of 2.87ha of common land and exchange with 4.04ha of compensatory land to be registered as common land.
- **Under section 38(1) of the Commons Act 2006 (prohibition on works without consent):** Application to allow works to take place on both the release land (works required to construct the proposed wind farm) and the replacement land (fencing to delineate the common from adjoining freehold land).
- **Under section 247(1) of the 1990 Act (order authorising stopping up or diversion of highway):** Consent to divert a public right of way away from the wind turbines.

You may inspect copies of:

- the proposed application
- the plans; and
- other supporting documents

online at <https://mynydd-llanhilleth.co.uk/> or hard copies are available upon request. Anyone who wishes to make representations about this proposed development must write to the applicant's agent by **Thursday 17 October 2024** via email Mynydd-Llanhilleth@pennantwalters.co.uk or by post at **FREEPOST TC CONSULTATION** (no further address or stamp required).
